CHMS to Provide Full Association Management Services to the American College of Epidemiology

Capitol Hill Management Services (CHMS), with offices in Albany, New York, and Raleigh, North Carolina, is pleased to announce that it has been selected to provide full service association management services to the American College of Epidemiology (ACE).

Incorporated in 1979, ACE is an organization of epidemiologists that serves the interests of the profession and its members through advocating for issues pertinent to epidemiology, a credential-based admission and promotion process, sponsorship of scientific meetings, publications and educational activities, and recognizing outstanding contributions to the field.

CHMS will be providing full-service administrative and operational support to ACE and working with the association's Board of Directors to achieve the highest level of efficiency and success for the organization.

"The American College of Epidemiology is dedicated to continued education and advocacy for epidemiologists in their efforts to promote good science and the public-health," said John A. Graziano, Jr., CHMS President. "We are pleased to work with the College's Board of Directors and volunteers in ensuring a successful future."

About CHMS

CHMS is a consulting firm specializing in association management, non-profit development, government relations, and public policy research.
