## **New York Association of Collaborative Professionals Selects CHMS for Association Management Services**

### ***Capitol Hill Management Services Continues to Grow***

Capitol Hill Management Services (CHMS), with offices in Albany, New York and Raleigh, North Carolina, is pleased to announce that it has been selected to provide full association management services to the New York Association of Collaborative Professionals (NYACP).

NYACP is an interdisciplinary association of professionals in the fields of law, mental health and finance that serves as the voice for Collaborative Practice in the Greater New York area. NYACP advocates for a client-centered approach that enables divorcing and transitioning parties to resolve conflicts in a non-adversarial way, preserving dignity and respect while producing positive outcomes.

CHMS will be providing full-service administrative and operational support for the organization, as well as working with the Board of Directors to achieve the highest level of success for the organization.

“NYACP helps its members maximize their potential and advance their practices through networking, training, and increasing public awareness of the benefits of Collaborative Practice,” said John A. Graziano, Jr., CHMS President. “We welcome NYACP to CHMS and look forward to working with the organization’s Board of Directors to advance their mission and ensure a successful future.”
