- WHO** are the State legislators?
- WHAT** committees do they serve on?
- WHEN** do they meet?
- WHERE** are their offices?
- HOW** can I access them?

The New York State Legislative Reference Guide answers all of these questions!

### *Stay Updated for the Entire Year!*

When you purchase the New York State Legislative Reference Guide, you will automatically receive updates throughout the year, such as new Senate and Assembly members and vacancies, and address, committee and leadership changes.

This will allow you to have a document that is always up to date, not just one time per year. We are sure this is a benefit you'll definitely want to use!

# The Only Legislative Guide You'll Need!

The New York State Legislative Reference Guide is crucial for any organization trying to reach the Legislature.

The 2020 Legislative Reference Guide provides the most up-to-date information, allowing you to make your voice heard.

**Includes  
Latest  
Addresses,  
Leadership,  
Offices &  
Committee  
Assignments!**

With the New York State Legislative Reference Guide in hand, you can easily contact your representatives, as well as other influential legislators on important committees and in leadership positions.

You will receive emails with changes in office and committee assignments as they occur.

Organizations can also customize the New York State Legislative Reference Guide by having their association name and logo printed on the cover. *Artwork for personalized guides must be received by January 15.*

The 2020 New York State Legislative Reference Guides are expected to be available in late February or when office and committee assignments are finalized.

If you or your organization are interested in state government, the New York State Legislative Reference Guide is a must!
