**CAPITOL HILL MANAGEMENT SERVICES INC. WELCOMES THE UNITED
NEW YORK AMBULANCE NETWORK TO THE CENTER OF
NON-PROFIT DEVELOPMENT**

Capitol Hill Management Services (CHMS) has announced the United New York Ambulance Network (UNYAN) as a Center for Non Profit Development client. UNYAN is a professional trade association representing many proprietary ambulance providers across New York State from Long Island to Watertown.

CHMS will provide UNYAN with a full range of association management services including administrative services, website management, strategic planning, event planning, communications and financial services.

The purpose of the United New York Ambulance Network is to develop relationships between New York State Certified Ambulance Service providers, to enhance access to quality, affordable, and timely pre-hospital patient care services. The Network is committed to the advancement of the Emergency Medical System while maintaining the highest level of patient care. For more information about UNYAN, visit their website: www.unyan.net.
